

Columbia Police Chief's Vehicle Stops Committee Recommendations

Implicit Bias Training

The Columbia Police Department should continue implicit bias training and begin small, inter-racial focus groups to talk about Columbia's race history as part of broader anti-racist training.

Recommendation approved by the Committee by an affirmative vote of 6 – 0. See Committee Minutes, Aug. 11, 2020.

Additional Vehicle Stop Data Capture

Accept the proposal narrative and data check-offs, as amended.

Recommendation approved by the Committee by an affirmative vote of 6 – 0. See Committee Minutes, March 9, 2021 and document Data "Check-Offs," March 9, 2021.

Additional Vehicle Stop Data Capture

Recommend that the Columbia Police Chief authorize an option in the form used to collect traffic stop data to address persons who don't identify as male or female.

Recommendation approved by the Committee by an affirmative vote of 8 – 0. See Committee Minutes, April 13, 2021.

Additional Vehicle Stop Data Capture

Recommend that the Columbia Police Chief authorize adding a box to the vehicle stop module indicating if a driver or passenger was handcuffed but not arrested during a traffic stop.

Recommendation approved by the Committee by an affirmative vote of 7 - 1. See Committee Minutes, April 13, 2021.
